

Grandville Robotics is celebrating its 25th anniversary – and we've opened the first built-for-purpose educational Robotics Competition Center in the United States

Donate for a Gear

and have your name on the celebration wall at the new Robotics Competition Center

Create a Lasting Tribute

Long-Life Spur Gears - made from 7075-T6 aluminum with a teflon infused ceramic coating

Inscribe your gear with a message visitors will see for years.....

Celebrate our teams

Recognize someone that was on a team

Share a memory

Honor someone who made an impact through our teams

Commemorate your years with the teams

Use this link to see a working model of the gear wall

if you'd rather order your gear online - use this PayPal link or Venmo your contribution to @robodawgs

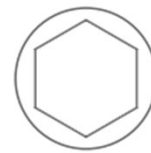

Sample Inscriptions

**Grandville
Robotics**

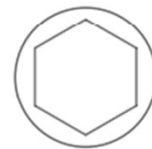

**Congratulations as you
celebrate your 25th year!**
Scrooge & Marley
Accounting, Inc.
